

Dear Mrs. Watson,

Your note should have been written sooner, but I got derailed.

I'd like to say that every so often a man like you comes into one's life, and I think that you came into mine. Your caring for people is unmatched as far as I'm concerned and so I thank you very much.

Love
Ralph

You really know
how to put a smile
on someone's face.

Thanks

Love
Ralph
